

Mount Eden Normal

PRIMARY SCHOOL

Te Whare Akoranga o Maungawhau

POLICY

Bullying Prevention

Rationale

National Administration Guideline 5 requires Boards of Trustees to:

- a) Provide a safe physical and emotional environment for students;
- c) Comply in full with any legislation currently in force or that may be developed to ensure the safety of students and employees

Rationale

In order to ensure a safe, positive environment for students, the school will foster and actively promote an environment with zero tolerance of bullying and a positive, restorative approach to behavior management.

Purpose

To foster and promote a culture of zero tolerance to bullying and restorative practices in relation to behavior management and conflict resolution.

To take proactive steps to educate all students of their rights and responsibilities in relation to achieving the aims set out above.

Definitions

“Bullying” is defined, for the purposes of this policy, as deliberate, hurtful actions that repeatedly target individuals over a period of time.

“Restorative Practice” is defined for the purposes of this policy as an approach to conflict resolution that focuses on the needs of the victims and the offenders, as well as the involved community, instead of simply punishing the offender.

*“The essence of restorative practice is disarmingly simple: that human beings are happier, more productive and more likely to make positive changes in their behaviour when those in positions of authority do things **with** them, rather than **to** them or **for** them.” - adapted from Wachtel 2004*

Guidelines

1. The schools approach to effective bullying prevention will be based on a holistic, whole-school approach

2. Behaviour management is the responsibility of all staff, coordinated and supported by the Senior Leadership Team

3. The school's Touchstones are the basis for the rights, responsibilities and expectations for all members of the school community
4. A fair, coordinated and consistent approach will be taken when dealing with any reported instances of bullying and conflict
5. All reported and/or confirmed incidents of bullying will be recorded and reported to the Principal
6. In the situation of formal or repeated complaints and/or unresolved issues the Board of Trustees may take a supportive role in mediation/conflict resolution if deemed appropriate
7. Victims of bullying and conflict will be offered appropriate support by staff
8. Parents and teachers of all parties concerned will be contacted in relation to incidents of bullying and informed of the strategies employed to resolve issues and the outcome of the strategies used
9. The school will develop behavior management procedures that prioritise restorative responses to bullying and conflict, as outlined below:

Punitive vs Restorative Responses

Punitive Responses

focus on punishment

1. What rule has been broken?
2. Who is to blame?
3. What is the punishment going to be?

Restorative Responses

focus on accountability, healing & needs

1. What happened?
2. Who has been affected? How?
3. What needs to be done to put things right?
4. What do we need to do to move forward?

Jansen / Matla adapted Zehr

Conclusion

Through clear and consistent procedures and prompt intervention, acts of bullying and conflict will be minimised. The school will take a proactive approach towards bullying prevention and restorative practices designed to reinforce the school's Touchstones and positive culture.
