From The Principal

Kia ora koutou,

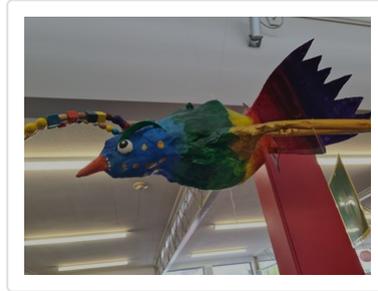

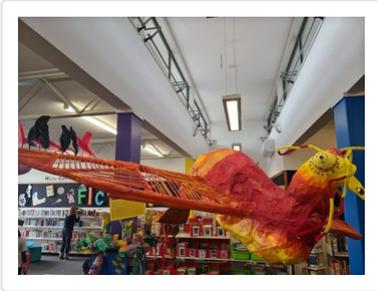

This week, we celebrate sporting achievement for our Girls' Ripa teams, with the A team bringing home the Zone Champion's trophy, and the Boys' Rugby under 40's taking out 2nd place.

A great success, I'm sure you'll agree, and testament to the passion, energy and teamwork all of our players displayed on the day. Thanks go to Karen and Andrew, along with parent helper John Young for his support.

On another celebratory note, I would like to take a moment to spotlight all things 'Clive'! Clive Jepson (a local resident and former MENPS staff member who continues to assist voluntarily here at school) will be know to many as a local artist, member of our community and all-round legend.

Most recently, Clive has worked with a team of budding young artists to add a unique flock of birds to our library, and also a colourful swarm of bees to decorate our beehive area. I'd like to acknowledge the time he regular gives to brighten our days around school in so many ways, and all the invaluable support and help he offers.

Finally, I'd like to thank Martina Stevenson and all the members of the teaching team who have been helping out at lunchtimes with a variety of exciting maths challenges for the children. It's been wonderful to see such high profile energy and enthusiasm around the school during Maths Week here at MENPS, and we appreciate the extra time and effort that they have put into offering this to students across the school.
