COVID-19 Update

From the Principal

Kia ora koutou,

Dear Parents and Caregivers

Our students have settled back into school very well and re-establishing the routine of attending school each day. They demonstrating great self-management skills in the way they come into school so independently and efficiently.

Classrooms and playgrounds have come back to life and we are enjoying the sound of learning and laughter again - schools are not meant to be quiet places!

We have confirmation that Auckland will move to the new Covid Protection Framework on Friday 3 December. However, as yet we have no information from the Ministry of Education as to what this may look like for schools nor if there will be any change to their current education settings. In order to maintain a settled and steady course through to the end of the year it is likely that we will continue with our current organisation for the remaining 2 1/2 weeks of school.

This week Room 5 students have created some beautiful artwork using natural materials, and I am sharing three examples below. These were made by Buster Grace, Wendy Pan and Noam Mahler. Great work Room 5!

Our sincere thanks to our wonderful PTA for their ongoing support. I really encourage you to get behind their last venture for this year - a fabulous Christmas raffle. Your children will bring home a flyer today with more details about the raffle. Information about how to purchase tickets is below.

Have a safe and enjoyable weekend.
